Council Corner

Just a reminder that our water tower refurbishment will start soon and to expect limited and lower water pressure at that time. Our engineering team will try their best to give ample warning. Also water and sewer mains will be replaced at Main Street and Railway Ave this summer. These lines have been identified as being in the poorest condition and as they are the main gathering sewer lines for our village have been given the highest priority. If you have any questions in regards to these repairs please drop into the Village office and a map is available showing the proposed work.

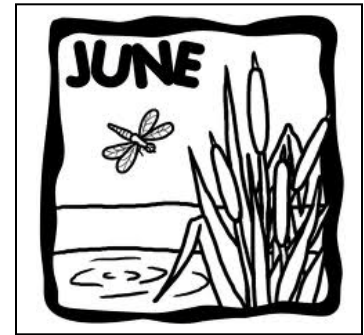

In light of what has transpired in Slave Lake, I want to remind everyone that if you have a fire pit on your property it needs to be in accordance with Village By-Laws. A copy can be obtained at the Village office. I will be working with our Fire Chief and Fire Department to ensure that we have well controlled fires in our Village.

PLEASE DO NOT LEAVE FIRES UNATTENDED. MAKE SURE THEY ARE EXTINGUISHED COMPLETELY BEFORE LEAVING THEM.

Mayor Lorne Klevgaard ☺

This is an invitation to all to attend our Canada Day Event!! Any and all community groups who wish to participate in the day need to contact the office ASAP

There will be a movie in the Library at 2pm and cake and Coffee at 9pm with fireworks to follow. In the event of a fire ban or other event that doesn't permit fireworks please see the Village website to keep updated.
Councilor Kaye Innes ☺

Emergencies and disasters can occur anytime, anywhere. Some are seasonal, allowing you to prepare in advance. Others occur swiftly and without warning. In Alberta, a tornado can strike quickly with significant damage. Wildfires can threaten communities and restrict movement. Heavy rains can cause flash flooding. In addition to natural disasters there are other types of risks such as power outages and industrial and major transportation incidents.

Planning ahead and preparing for your family's needs can make a big difference in your ability to cope. You can lessen the impact of an emergency or disaster by knowing what to do before, during and after one occurs. No one knows for sure when disaster will strike, but we can be prepared. By creating your own 72-hour emergency kit you will have the necessary items to help you and your family until emergency responders can reach you.

Copies of "Your Emergency Preparedness GUIDE" will be available at the Village office or Edberg Library.
Councilor Colleen Wack ☺

BYLAW INFORMATION

- A reminder that all dirt bikes and ATV's must be insured and registered if driven on public streets.
- The driver must also have a current license to operate a motor vehicle.
- All streets and alleyways fall under the Department of Transportation and as such all traffic laws must be followed.

CAO NEWS

Hello to All.

A reminder to book the Park Shack for functions through the Village office and to provide a donation for use direct to the office.

Regards, Patrick Risk ☺

If you have any By-Law related questions or complaints please contact Kevin Duval – By-Law Enforcement Officer

1-866-340-2388 ☺

UTILITIES

As of **May 1st** Utilities will be billed on Water consumption NOT a flat rate. Please note your usage listed on your bill and adjust your usage accordingly. You will be charged a rate of \$2.50 per cubic meter as per Bylaw 429-01-11 You may obtain a copy of the bylaw for .25cents per page at the Village Office If we have sent you out a notice indicating a leak you will want to have it repaired as you will be charged for ALL water that goes through your meter and this includes leakage. ☺

May and June. Soft syllables, gentle names for the two best months in the garden year: cool, misty mornings gently burned away with a warming spring sun, followed by breezy afternoons and chilly nights. The discussion of philosophy is over; it's time for work to begin."

- Peter Loewer

EDBERG AG SOCIETY

Nothing submitted this month

. ☺

Edberg Recreation society

Pastor Jeff Decelle

If you have anything that you would like to contribute to the next newsletter please e-mail it or bring it in to the office. All submissions are subject to editing.

NEW NORWAY FARMERS MARKET

1ST and 3rd Tuesday of every
Month, 3-8pm
At the New Norway Community
Hall
June 7 and 21st ☺

RECYCLE

Your unwanted vehicles
Call Dennis
@780-855-3950
To haul away your vehicles
Free of charge ☺

BURNED OUT STREETLIGHTS

There have been a number of burned out or flickering street lights in the Village. If you see one or there is one in front of your residence please record the number off it and the closest street address and bring that information to the Village office. The office will then give you a piece of red tape that you can use to mark the pole. This will assist us greatly when contacting Fortis for repairs. ☺

MOMS AND TOTS

The 1st and 3rd Wednesday of the month is moms and tots at the **New Norway Hall**. It is from 10-noon and parent Link will be coming out from Camrose to set up some programs for the kids. For more info call Monike Larsen @ 780-855-2656

All are welcome!! ☺

FATHERS DAY JUNE 19, 2011
